Features:

11" (27.9 cm) High Wheel

The 11" high rear wheels combined with the variable speed self propel front wheel drive can tackle uneven terrain with ease.

22" Recycler® Cutting Deck

Cut more grass in less time and improve the health of your lawn with larger 22" cutting width. Toro's innovative Recycler mulching system minces grass clippings into fine particles and puts them back into your lawn giving you a healthy, lush looking yard.

Washout Port

The deck washout port is a convenient way to clean the bottom of the deck - maintaining optimum airflow for high performance.

One Piece Adjustable Height Handle

The single piece handle can be easily adjusted to 2 different handle heights without the use of tools.
